

## Organizational Culture Activity

- The people who do well at your company: what skills and attributes do they usually have?
- What do you like best about working at \_\_\_\_\_?
- What results are expected?
- What specific problems are you hoping to solve during the first six months?
- What happened to the person who had this job before?
- What communication style do you prefer?
- What is your philosophy regarding on-the-job growth and development?
- What are your goals for the department/library?
