INGRAM LIBRARY SERVICES, INC.

Ingram provides books, spoken word audio CDs, music CDs, pre-recorded DVDs/Blu-Ray, E-books, and E-audio.

- Colorado libraries wishing to establish or maintenance an account should contact the Account Services Department at 800-937-5300 to set-up or update an account under the contract for the **Colorado Cooperative Purchasing Agreement**
- Ingram can accept orders by toll-free phone, toll-free fax, mail, electronically, (email and/or EDI – Electronic Data Interchange), or through ipage.
- Ingram offers processing and cataloging services for products purchased through Ingram; contact your Account Service Coordinator
- Net 30 days
- Ingram-paid freight from your designated primary distribution center on shipments of 15 units or more. We hold orders from your primary distribution center until a minimum quantity of 15 units is met. Shipments of 15 or more units from your secondary distribution center qualify for free freight, but we charge a flat \$6.00 shipping fee on shipments of fewer than 15 units. The flat fee amount and/or qualifying unit quantity is subject to change with notice.
- Ingram chooses the most cost-effective shipping method but uses UPS ground service to transport most Ingram goods. Ingram reserves the right to adjust distribution center designations to provide the most favorable service to your Library.
- Orders ship FOB Destination. Ingram defines FOB Destination as Ingram being responsible for the products until they are delivered to the library. Once the items have been delivered, liability lies with the receiving agency.
- When freight charges on an individual account surpass 2.5% of the account's expenditures, Ingram reserves the right to change the shipping settings under this offer. Changes to account settings, such as one warehouse for shipments or shipment timetables and order consolidation levels, are examples of such alterations. We work closely with the Library to ensure that any changes are in the best interests of both parties.
- Due to the impact of rising oil prices, Ingram has instituted a \$3.00 fuel surcharge. This charge is subject to change with notice. These charges will appear as a Shipping and Handling charge on your invoice.
- Ingram requires no minimum quantity to accept orders, but we ask that Libraries build selection lists and consolidate orders to help control freight costs.
- Offers standard discounts to libraries that are non-contract customers. The discounts vary, depending on the number of copies purchased, and the library is responsible for shipping costs and fuel surcharge fees. Noncontract customers must commit to an annual spending amount to maintain terms and discounts offered.
- There is NOT an annual spend limit commitment
